What is the Mission of the WV Trucking Association?

The mission of the WVTA is to serve and represent the interests of the trucking industry with one united voice by:

- Promoting safety and security on our highways and among our drivers;
- Advancing the trucking industry's image;
- Providing educational programs;
- Influencing in a positive manner state governmental actions; and
- Promoting a healthy business environment in our state.

Classes of Membership

Fleet Membership

Any firm, company or corporation owning or operating motor transport vehicles shall be eligible for membership in the organization.

Allied Membership

Individuals, firms or corporations having no interest in the West Virginia trucking industry but desiring to be affiliated with the association for business reasons shall be eligible for non-voting participating membership.

Benefits to Members

Lobbying

We maintain strong one on one contact with state legislators and government leaders. We are proactive in our efforts for the benefit of our industry and members. We engage the members in grass roots effort for the benefit of the industry.

We represent the industry on such issues as highway use and sales taxes, vehicle size and weight, highway safety and vehicle law and environmental law. Past legislative successes include the roll back of the toll increase on the West Virginia Turnpike during the 2006 Legislative Session.

Education

We keep members informed of constantly changing laws and regulations to help keep them informed and aid them in holding down the cost of doing business. Some examples are:

- We supply a monthly newsletter *Highways and Byways*, to all members to keep them up to date on regulations, trends and industry changes. We fax or e-mail several times a month a one-page version of this publication with education information and industry tips.
- When the legislature is in session members receive the WVTA legislative updates, *News Inside the Capitol*, to keep them abreast of legislative activity and to aid in our grass roots efforts.
- We have a Web site, www.wvtrucking.com, which supplies a vast array of information to keep members informed, as well as links to other industry sites.

Safety

Promoting the safety of our members and the public is very important to us. Each year we conduct an annual fleet safety contest, a truck driving championship, a West Virginia Driver of the Year Contest, among other promotions and events. The **2012 Truck Driving Championship** will be held **June 23rd** at the **Charleston Civic Center in Charleston**.

We also assist the U. S. Department of Transportation in selecting the West Virginia Professional Driver of the Year. We sponsor the West Virginia Safety Management Council and plan and conduct an annual safety awards banquet.

Survival Hotline

Members are urged to call the WVTA office at (304) 345-2800 anytime with questions concerning new laws and regulations or any matters that affect their business.

State and National Liaison

We act as a liaison with many state agencies including the Department of Motor Vehicles, Public Service Commission (PSC), Department of Transportation (DOT), State Police, State Tax Department and many others.

We work closely with the American Trucking Associations (ATA) on federal legislation and governmental affairs.

Members Services

Members receive discounts through our workers compensation program with **BrickStreet Insurance**, on purchases from **J.J. Keller** and shipping costs with **UPS**.

Annual Convention

We hold an annual convention for members where they can gain information at our business sessions, play golf and network at social functions. The **2012 Convention** will be held **September 25 & 26** at Waterfront Place in Morgantown, WV.

WVTA PAC

With the many tough issues that our industry faces, it is important for us to have candidates in office that understand our industry. The WVTA PAC gives us the ability to donate to business friendly candidates with who we can work in the state Legislature.

**Membership has its
privileges ...**

**Eligible members of the West Virginia
Trucking Association can receive a **7.9%**
discount on their workers' compensation
premium through our exclusive program
with **BrickStreet Insurance**.**
